CENTRAL INTELLIGENCE AGENCY  
OFFICE OF NATIONAL ESTIMATES

11 November 1971

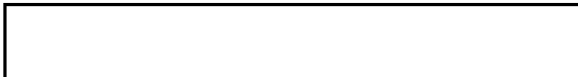

DRAFT MEMORANDUM (Draft for Board Consideration --  
ONE Distribution Only)

SUBJECT: New Economic Policy

NOTE TO THE BOARD

This draft is being circulated for substantive review. It is the product of three separate authors; it has not yet been edited for stylistic consistency.

The requestors of this paper urged on us the desirability of a short, readable paper. It was the attempt to achieve brevity that led to the decision to place at annex the details of individual country development.
